## Sangwin Educational Furniture Ltd

### Training programmes offered?

Sangwin Educational Furniture Ltd offer apprenticeships in office administration. Week long work experience placements are available to school aged learners. If you are interested in a work placement please email [info@sangwin.co.uk](mailto:info@sangwin.co.uk). Employees have the opportunity to participate in house training as and when additional skills are required.

### How does your company recruitment process work?

If you are interested in applying to Sangwin Educational Furniture Ltd you should made an application via [info@sangwin.co.uk](mailto:info@sangwin.co.uk) providing information on experience and qualifications. For live vacancies visit the website [www.sangwin.co.uk/jobs](http://www.sangwin.co.uk/jobs). Alternatively, you can write to HR and attach a CV at Sangwin Group of Companies, Dansom Lane South Hull, HU8 7LN.

In the short term future Sangwin Educational Furniture Ltd will be looking to employ operatives on the factory floor as machine operators, bench joiners and dispatch

Sangwin has not previously recruited anyone from vulnerable groups; however they are happy to consider employment with them in the future.

### What do you see the skill gaps are for your company now and in the future?

Sangwin Educational Furniture Ltd envisages future employees will need to be Computer Numerical Control (CNC) and Computer Aided Design (CAD) trained. Sangwin's direction of work means that use of CAD is becoming a more and more important skill requirement for new and existing members of staff.
